HOW YOU CAN GET INVOLVED

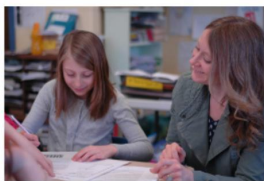

Support, Mentor, Donate, Inspire Today!

Sponsor a Project

Your generous donations provide support to educators and young entrepreneurs, including scholarships to attend conferences for ongoing professional development.

Make a Donation

Become a Mentor

Offer your expertise to a young person looking for support and inspiration. Virtual or in person mentorship can have a life-altering impact on its recipient.

Become a Mentor

Start a Project

Set up a profile page outlining your project. We will match you with support, whether financial or via mentors, that best suits your project needs. We are excited to see your project come to fruition.

What Our Donors are Saying

“

It was a privilege to be part of Axel's community project and watch his process of creating an eco-sustainable product made of leaf straws

“

Supporting Michelle Liu's 'My child's mental wellbeing' App development for children ages 2-6 years showed me the difference the young generation can do for the future. Contributing to Excelar was effort worth it.

MIKE WRIGHT
INDIVIDUAL CONTRIBUTOR

“

I look forward to supporting Rosei Garcia in her pursuance of her Graduate degree for elementary education. I truly believe we need more teachers who can make a difference to the children, one child at a time.
